3. Place the accompanying files in directories consistent with your implementation:

- Place **ap_bookmark.IFD** in the **Designs** subdirectory for Output Designer.
- Place **ap_bookmark.mdf** in the forms subdirectory accessible to Central.
- Place **ap_bookmark.bmk** in an addressable directory.

Running the Sample

- To run this sample, place **ap_bookmark.dat** in the collector directory scanned by Central.
